SHILOH SHEPHERD ADOPTION QUESTIONNAIRE

This form is designed to ask questions in order to help you and AZ Shilohs decide if a Shiloh Shepherd is the right breed for you. We will help you select the right puppy for you. We will be/have been watching the puppy's behavior, personality and temperament. Around 8 weeks of age, we conduct a litter evaluation, evaluating the puppies for temperament, conformation and movement. The information on this form helps us get to know a little bit about you, so that proper puppy placement can occur. We urge you to be very honest with us about yourself and your home life, as these puppies rely on us to find the very best homes for them. Where one puppy may be perfect in a busy household, another may panic and need a quiet home. We have found that Shiloh Shepherds, indeed, have their own personalities and needs. Please feel free to add anything to this application that will help us determine what you are looking for in a Shiloh Shepherd.

If you would like to be added to our list for a puppy, or a specific upcoming litter, please enclose a \$500.00 deposit, or prepayment along with this completed questionnaire. Note that payment is nonrefundable, should you change your mind. Shipping fees are \$250, plus actual cost of airfare (\$250 covers airline approved shipping crate, ISO compliant micro chip, first round of vaccinations, dewormings, Veterinary Health Certificate, and transportation to airport). Puppy pick-up fees are \$100 (\$100 covers ISO compliant micro chipping, first round of vaccinations and de-wormings). AZ Shilohs recommends Pet Insurance and will set this up for your pup, once puppy placement is made and will contribute \$50 towards the amount for the first year (which will cost you between \$250 and \$350 a year, depending upon your geographic area). You can also contact Pet Plan yourself at: 484-845-1299. We recommend Pet Plan, found at www.GoPetPlan.com, as that is the pet insurance we use for our Shilohs. Final payment of all fees and signed, applicable contracts are due two weeks prior to the Litter Evaluation. You will be given the date of the Litter Evaluation one month after pups are whelped.

How it works: Once your deposit is received by AZ Shilohs, you will receive email updates (done via bcc for privacy) on all the breeding activities that take place. You will find out as soon as a bitch goes into heat, when they are bred, when they whelp and you will get photo

and/or video updates (via slideshows on websites like flickr.com and video on Youtube.com) at birth and approximately every 2 weeks of the pups. The litter will be evaluated around 8 weeks of age and puppies will be matched with the families immediately following. It is important for you to be very clear on what you are looking for and where you can be flexible. Please note that contracts and agreements must be read, filled out and signed by buyer and complete payment received by AZ Shilohs two weeks prior to the litter evaluation. Failure to do so may impact your getting a puppy from your chosen litter and you may have to wait for the next available litter. Puppies will be ready to go to their new homes usually the day following the litter evaluation. Please make sure that you provide a phone number to AZ Shilohs for the puppy placement phone call.

Please feel free to call or email with any questions you may have.
